Ace of Hearts

Past

You're fondly looking back on the beginning of a treasured relationship or friendship. Remembering those early days may give you valuable insights into your current situation.

Present

A new friendship or relationship is blossoming in your life. Good news is close at hand.

Future

Though you may feel anxious now, you can wait confidently upon the future. A lovely new friendship or relationship is on the horizon.

This three-card reading only touches the surface of what a tarot reading with playing cards can tell you. For deeper insights into your situation, consider speaking with a psychic tarot reader. A skilled professional can help you understand the delicate interplay between your cards and give you a more detailed understanding of all that the universe has to tell you.
